

### Therapeutic Massage Pledge

Before God and those assembled here, I solemnly pledge: To adhere to the code of ethics of the therapeutic massage profession. To have a sincere commitment to provide the highest quality care to those who seek my professional service. To work in my community toward the understanding and acceptance of massage therapy as a valuable health service, abide by all laws governing massage practice and work for the repeal or revision of laws detrimental to the legitimate practice of massage therapy. To respect all ethical health care practitioners and work together amicably to promote health and natural healing. To conduct my business and professional activities with honesty and integrity and project a professional image in all aspects of my practice. To accept the responsibility to self, clients, and associates to maintain and promote physical, mental, and emotional well-being.

### Practical Nurses Pledge

Before God and those assembled here, I solemnly pledge to adhere to the code of ethics of the nursing profession to cooperate loyally with the other members of the nursing team and to carry out faithfully and to the best of my ability the instructions of the physician or the nurse who may be assigned to supervise my work. I will not do anything evil or malicious, and I will not knowingly give any harmful drug or assist in malpractice. I will not reveal any confidential information that may come to my knowledge in the course of my work. And I pledge myself to do all in my power to raise the standards and the prestige of Practical Nursing. May my life be devoted to service, and to the high ideals of the nursing profession.

### Code of Ethics for Surgical Technologists

As a Surgical Technologist, I shall do all within my power to maintain the highest standards of professional conduct and patient care, to hold in confidence, with respect to the patient's beliefs, all personal matters. I will respect and protect the patient's legal and moral rights to quality patient care. I will not knowingly cause injury or any injustice to those entrusted to our care. I will work with fellow technologist and other professional health groups to promote harmony and unity for better patient care. I will always follow the principles of asepsis, maintain a high degree of efficiency through continuing education, and practice surgical technology willingly, with pride and dignity. I will report any unethical conduct or practice to the proper authority, and adhere to the Code of Ethics at all times with all members of the health care team.
